Mr. Shaun Shenk
Veterans of Foreign Wars Department of North Dakota
1232 Goldenwood Drive
West Fargo, North Dakota 58078

Dear Mr. Shenk:

On behalf of Eyemart Express, we would like to thank you and all of your veteran members for serving our country. It is our honor to donate 25 vouchers that cover the full cost of prescription glasses, including frames and lenses, for veterans in need within your organization.

The vouchers can be redeemed at any Eyemart Express store in the following cities:

- Fargo
- Grand Forks

Your members may enjoy knowing about our everyday military program that gives all veterans, retirees, active- and non-active duty military personnel and their families ten percent off eyewear purchases. They simply need to provide a valid military, dependent, retiree, or DD214 card at the time of purchase to save on top of the company's already affordable prices. We have enclosed 30 signs that you can distribute as you please to local chapters in cities where we operate.

Thank you again for all that your organization does to help veterans in North Dakota.

Sincerely,

The Eyemart Express Team
Michael Bender, CEO
