

Membership

Congratulations to the Department of Maryland for leading the way and being the first Department to finish at 100 percent in membership! Contact the National Membership Department if there is anything we can do to help you achieve our end of year goal.

ALL-AMERICAN 2019-2020 UPDATE

First off, on behalf of the Membership Department, I hope that everyone out there is staying safe and taking care of yourself and your family during this stressful time. The ongoing pandemic has impacted much of the VFW's operations, but we're proud to say we are still seeing growth and retention of our membership as we approach the last few months of the membership year.

Many have asked if this will affect programs such as the All-American contest. After discussion with Commander-in-Chief Doc Schmitz, the following changes have been made:

- Post All-American: the requirement to purchase Buddy Poppies has been waived, due to the current inability to fulfill orders from the National Headquarters.
- Department All-American: the requirement to establish one new Post or raise three Posts that began the year under 50 members to above 50 members has been waived, due to the ongoing pandemic making it impossible to hold Post institution proceedings or recruiting events.
- Department All-American: membership percentage quotas have been adjusted to 98%.

No other changes have been made at this time; all other membership and program-related criteria remain the same.

Check out our Facebook page facebook.com/VFWmembership/ for new updates and the latest news.

Once again, we encourage everyone to stay safe and take care of yourself and our fellow veterans. Especially in this time of crisis, we all have to look out for each other and show that NO ONE DOES MORE FOR VETERANS.

For May's Commander's Challenge, we are going to focus on increasing membership. We will be looking specifically at new, renewing, and reinstated members and rewarding the Posts that show the highest percentage of membership growth for the month of May.

We will be holding a drawing to select three of the top 15 Posts in each division, based on the percentage of membership growth for the month of May, to receive a \$1,000 stipend deposited into the Post account.

POST DEVELOPMENT

Wow! Many things have happened since the last edition. Many of you are dealing with a new way of life, including a new way of staying engaged with your membership. For some, that may mean finally creating that Facebook account!

Even though most are under a stay-at-home order, retention numbers are good. Leadership and mentorship, keep it up! Many of your revitalization efforts are happening in the way of lapsed-member calling campaigns and buddy checks and the retention numbers show it. We want to know your revitalization stories – your successes need to be shared! Remember – you have many resources available to you at vfw.org and expertise awaiting your call at the National Membership office in Kansas City.

Let the Membership Department know now what you're working on so we can start tracking that information and provide assistance as needed. For any questions or further information, contact Corey Hunt in the Membership Department via email at coreyhunt@vfw.org or call us at 1.888.564.6839.

THANK BK APPRECIATION WEEK

#Thank BK Appreciation Week – May 10-16, 2020. Please remember to recognize our great friends at BURGER KING® (BK) by mobilizing membership to visit their local [BK restaurants](#), up to and including Armed Forces Day, Saturday, May 16, 2020. Because of the COVID-19 pandemic, VFW members, their families and friends will (in most locations) not be able to go inside restaurants but instead are encouraged to use the drive-through window to purchase a meal and say “thank you” for BK's continued support of the veteran community. The VFW is also asking that VFW and VFW Auxiliary members post about their visit to social media using #ThankBK. As an added incentive, members who participate will be entered into a drawing as 10 Posts/Auxiliaries will win a \$1,000 Community Support Grant from the VFW Foundation. See the VFW’s [#ThankBK Appreciation Week Facebook event page](#) for the drawing’s full details and rules.

VFW National Convention

VFW Cancels Reno National Convention (The convention was scheduled for July 18-23, 2020.)

The Veterans of Foreign Wars announced on April 20, 2020, its 121st VFW National Convention scheduled to be held in Reno, Nevada, this July was officially cancelled.

The decision comes as public-health concerns and social-distancing mandates are expected to span into the summer months ahead.

Pursuant to the organization’s bylaws, the VFW National Council of Administration is responsible for administering the affairs and transacting the business of the organization in the intervals between conventions to include conducting an election of national officers.

Despite the cancellation of convention, the VFW remains fully operational in accepting and processing applications to all of its national support programs and maintains an active role in advocating for veterans' legislation.

Reno 2020 Housing Reservation Cancellations

As of April 20, 2020, if you made your hotel reservation with Orchid Events/VFW Housing, your reservation has been cancelled automatically and you were sent a notification of the cancellation via email (if an email was provided).

No fees (1st night deposits) have been charged to credit cards. No action is required on your part. If you paid a hotel deposit by check, you will be refunded.

If you booked a hospitality suite, please email our housing manager, Susie Brenner at susie@orchid.events.

Note: If you made a hotel reservation at a hotel outside of the VFW room blocks - Official VFW Hotels - Grand Sierra, Atlantis or Nugget, you will need to call the hotel you directly made the reservation with and cancel that reservation yourself.

Post/Delegate Registration Fees for the 121st VFW National Convention

On April 17, 2020, the VFW National Council of Administration took action to cancel the 121st VFW National Convention, in its current form, due to the COVID-19 pandemic.

The National Council of Administration has adopted directives to carry out the business of the Veterans of Foreign Wars that include a *pro-forma* Convention, and the succession and election of officers for the 2020-21 administrative year.

The collection of Convention Registration Fees, paid by VFW Posts, are an estimated \$190,000.

VFW National Bylaws, Article II, Section 222(d), states each Post will pay, in advance, a National Convention registration fee of twenty-five dollars (\$25). On May 1, 2020, the VFW National Council of Administration voted to halt the collection of National Convention Registration fees, and take the necessary steps to facilitate refunds to those Posts and delegates who have paid registration and/or delegates fees, for the 121st VFW National Convention.

Department/District Conventions and Election of Officers

Executive Order No. 2 provides a directive for conducting the fraternal business of the organization, including options as to how Departments, Districts, and Posts may conduct elections in keeping with the requirements and customs of the VFW. Please refer to this document, as well as the other guides found on VFW's COVID-19 webpage behind the login.

Note: Departments cancelling their conventions should notify the hotel of the cancellation in writing.

Memorial Day “Buddy”[®] Poppy – You should be receiving a package within the next few days with a Thank You Card and VFW “Buddy”[®] Poppy. Since 1922, the VFW has distributed the “Buddy”[®] Poppy on

patriotic holidays to solemnly honor our nation's fallen heroes. Please return your poppy to the VFW and they will be used to create a special wreath to be displayed in honor of Memorial Day at VFW National Headquarters' Centennial Plaza. Also, please sign and return the Thank You Card. Your message of support will be delivered to a service member or veteran who could use a kind word. It will mean a lot to them coming from a fellow veteran like you. Along with the "Buddy"® Poppy and your signed card, please return the most generous gift you can manage in honor of Memorial Day. Your gift to the VFW will help veterans and military families receive financial grants when times are tough, assist veterans in obtaining the benefits they have earned and ensure the rights of veterans of every generation are respected and protected.

Matching Gift Opportunity to Support the VFW's Programs – The VFW has been presented with a great opportunity by generous friends of the VFW. They have extended the offer to triple your gift until June 5, 2020, up to \$50,000! Many veterans and returning service members are turning to the VFW for assistance in finding and training for jobs when they return from long deployments, as well as financial assistance grants for rent, food, medicine ... and so much more. Thanks to dedicated members like you, we have been able to provide the life-changing assistance our veterans need. As the COVID-19 situation continues to unfold, our service members are going to be some of the hardest hit in the wake of this global emergency. The VFW is on the front line in the fight for education, jobs, health care and justice FOR VETERANS! This is a great opportunity to help support veterans of all ages, right in your Department. Be as generous as you can and send your gift in by June 5, 2020, to make sure it is tripled!

Show Your Gratitude and "Sign The Card" – This month, we will be deploying the May Engagement Email Campaign. We want to honor those who are helping to save veterans during this global pandemic ... the staff at the VA facilities. Once you receive the May Engagement email, you can read how to add your name to a virtual online "card" that will be sent to the VA facilities to say thank you to VA medical teams on the frontline of COVID-19. We thank our healthcare workers on a daily basis, why not say thank you to the VA medical teams.

May is National Military Appreciation Month – Is your Post planning to commemorate a special event for Military Spouses Day on May 8, Peace Officers Memorial Day on May 15, Armed Forces Day on May 16, National Maritime Day on May 22 or Memorial Day on May 25?

If your Post is planning a special event this month to commemorate any of the above mentioned special days, please share your success story with us. VFW Member Benefits

Are your financial assets protected?

Do not underestimate the importance of protecting those assets you have worked so hard to build for you and your family.

A common way some people protect their assets for future generations is term life insurance. With several available options, you can purchase a term life insurance policy that fits your needs now and can provide for those you love long after you are gone.

Typically, a term life insurance policy lasts for a set amount of time—usually available in 10, 15, 20, 25 or 30 years. During your term, payments and coverage remain the same, making term policies an affordable life insurance option.

For additional information about Term Life Insurance, click [here](#) or call 1.800.715.5836, extension 6830.

National Veterans Service

National Veterans Service to host Virtual Training for Service Officers

This spring the VFW was forced to make the difficult choice to cancel the spring service officer training conference in Valley Forge, Pennsylvania. However, the National Veterans Service training team quickly moved to deliver much of this critical training in an online environment to VFW Department Service Officers.

In June, NVS will host its first Virtual Proficiency Training Conference for DSOs over a period of three weeks through proctored video teleconferences which will also be archived for easy access for any DSO who cannot physically log onto each teleconference. Keeping with the format of past service officer training conferences, DSOs will have an opportunity to participate in a directors' forum with NVS leadership. They will also be required to complete a test on the information provided during the virtual conference.

NVS tested this training format with new VFW employees throughout the month of April, with considerable success. A formal announcement of the training schedule and curriculum will be sent to DSOs in early May, allowing ample time to prepare.

Veterans Have Until May 5, 2020, to Add Dependents for Stimulus Payment

On April 24, 2020, the Internal Revenue Service (IRS) [announced on Twitter](#) that veterans who receive VA Compensation and Pension payments, who do not file taxes, and who have dependents have until May 5, 2020, to add their dependent information to ensure their stimulus payment includes the \$500 per dependent pay. The IRS is urging this group of veterans to use the [Non-Filer tool](#) on the IRS website to update their dependent information. If a veteran in this group has had the \$1,200 stimulus payment issued, they will no longer be eligible to use the Non-Filer tool. Their payment will be \$1,200 and, by law, the additional \$500 per eligible child amount would be paid in association with a return filing for tax year 2020.

VFW Posts Eligible for COVID-19 Small Business Assistance

Veterans are not alone in facing economic hardship during the COVID-19 outbreak, and thankfully there is relief coming. Veteran-run small businesses and VFW Posts will be eligible for some economic relief for employees of these businesses through the [Small Business Administration](#) (SBA). SBA is running the [Paycheck Protection Program](#), which consists of an SBA loan that helps businesses keep their workforce employed during the COVID-19 crisis. While the first wave of small business loans ran out, the second wave resumed on April 27, 2020. [Learn more about small business guidance.](#)

Administrative Operations

Post Election Reports must be submitted no later than June 1 to the National Headquarters. We encourage all Post Quartermasters to use the online Election Report process featured in the Online Membership System (OMS), which is located behind the member's "LOGIN" at vfw.org.

The interactive report will cover reporting of all Department elected and appointed officers and committee chairman. In addition, the District Election Report is also contained within the Online Membership System (OMS). Portions of the District report will feed into the Department report (i.e. the District Commander position).

Adjutants and Quartermasters can access the roster by logging into their OMS account under the “Election Report” drop down in the left hand navigation pane. Membership numbers of each elected/appointed officer and/or chairman is needed to complete the report. Your cooperation in completing the roster immediately following your convention is appreciated. Any additions, corrections or changes will be submitted through OMS as they occur throughout the year.
