From The Commander –Rick Kuhn..Veteranpestcontrol@gmail.com Thanks to everybody that made the Pinewood derby a success this year. Post 762 won the annual Commander cup and looking forward to defending the Title next year “Terry Richardson”. Make sure your vote is counted we will be having Post elections this month providing that we can hold a meeting with the set forth guidelines. We our living in uncertain times, we all have to stay safe and healthy use your best judgment to stay safe and healthy with that being said the club will be opening for business at noon on the 1st of May. That’s way we all severed to have the freedom to make your own decisions See you all on the Second Wednesday of May for our next Post meeting. Thank you all for what you do for Veterans and the community and let’s make it happen in 2020 for Post 762.

Have a cold one!

As the bars have re-open, please remember these guidelines are set up for very important reasons. Please abide by them, don't bicker at your bartender, and argue that we can bend the rules. We can't. We won't. They are there for our and your protection. If you don't feel well please don't come out just because you can. Also, there is NO standing. Tough changes had to be made, we need your help to maintain this guideline. Please also know that if we suspect you are not feeling well or if We have had to ask you more than once to abide by the governor's guidelines, we will ask you to please leave. Remember this is our job, our health, our livelihood. And we are STILL in this together. Let's do it together to stay healthy. On that note, WE MISS YOU ALL SO MUCH AND WE CAN'T WAIT TO SEE YOU!!!!

VFW Auxiliary.. President- Laurie Asmus ... WOW! What changes we have all been through these past couple months and sadly I’m worried that it’s not something that will ever go back to the “way it was.” It is definitely nothing I would ever have thought would happen in my life. With that being said, I have made the decision to **NOT** have our May Auxiliary meeting, as the Fargo Public Library is not open yet and I would like to see how things go with things opening up again. I want to make sure our members that attend our meetings stay safe now to be able to work for our Veterans in the future. All of your officers from 2019-2020 have agreed to remain in office until we can hold a meeting and elect officers for the 2020-2021 year. This is an option that National has offered, so I am not doing anything that has not been approved. When we are able to hold the meeting, we will elect, install, and new officers will take office so please continue to watch the bulletin and our Auxiliary Facebook page for more information. This decision was not an easy one for me and I have had many talks with officers on different levels to help me decide what is best for all of us. I do say **thank you** to our officers that agreed to continue on in their positions until we can all be together again to work for our VETERANS! Also, until further notice our weekly Auxiliary drawing is suspended. Please call me at 701-261-9793 if you have any questions or concerns but please remember that I work during the day so leave a message and I will call you when I get home. Please call Sara at 701-793-2148 if you need cancer papers or if someone passes away but also remember she works during the day so please leave a message. Thank you. **Stay safe everyone so that we will be able to continue to help our Veterans.**
