Celebrate June 14th						

From The Commander –Rick Kuhn..Veteranpestcontrol@gmail.com Thanks to all the volunteer's that came out and put the Flags out at the Cemetery And for coming out on Memorial Day for the events. I would like to thank all of you for giving me the opportunity to be the Post 762 Commander for another term. With all the new business and events coming to downtown we have great opportunity to turn our post 762, into a great place for Veterans and Auxiliary members. To make this happen we need to constantly be recruiting new active members. Also, good positive communication between everybody is key. If you are currently a member of the Post and want to get more active, I encourage getting more involved; the rewards of helping Veterans and the Community will be a reward in itself. June 14th is Flag Day and U.S. Army's Birthday. Thanks to all the volunteers that our helping out with the renovations the progress is looking great. Thank you all for what you do for Veterans and the community and let's make it a great year for Post 762.

Jeanne Broadbent
Manager

Hope everyone had a blessed Memorial Day, I know I did. Sharing the day with my VFW family and their families is just such a blessing. It's been quiet down at the club but we are keeping busy, better to be busy than to be busy worrying. If you haven't seen or heard of the changes happening to VFW on Broadway, swing on by and check it out. A HUGE thank you to all the volunteers for this wouldn't be possible without your drive and passion for our club. We appreciate all your hard work. But there is still lots to get done over this next month. As the pandemic of Covid19 continues I leave you with these words of hope. Ahead of attacks on its cities during World War II, the British government issued and displayed three posters with messages written to boost morale and mentally prepare its civilians. One of them, "Keep calm and carry on," has grown in popularity over the years because its message is applicable beyond its original intent. It's also poignant now that coronavirus is invoking comparisons to world war. Stay Safe Y'all!

VFW Auxiliary.. President- Laurie Asmus .VFW Auxiliary #762 would like to CONGRATULATE STATE VFW AUXILIARY PRESIDENT BARB DANIELSON on a great year! Thank you for your service! So many changes have come to us all while living in the COVID-19 Pandemic which brings up our VFW Auxiliary 762 meeting for June. Since the Fargo Public Library is still closed and the need to keep 6ft apart with social distancing, we will be having our June VFW Auxiliary meeting and holding it in the Fargo Cash Wise on 13th Avenue Parking Lot. This means you can bring a lawn chair or sit in your car. This way of holding a meeting is being held in many parts of the country to keep ALL of our members safe and still be able to hold a meeting. That being said, we will be holding our elections for the upcoming year of 2020-2021 at this meeting so if there is a position that you are interested in and you cannot be there, please email me or text me so that we have your written authorization; without it we are not able to elect you. The meeting time will be the same as normal at 6:00pm. If you have any questions on this, please call me and leave me a message and I will get back to you. Also, until further notice our weekly Auxiliary drawing is suspended so please don't feel you are missing out. Please remember to check on a Veteran or elderly neighbor during these times to see if there is anything you can do for them. Even just calling or sending a card will help them get through this rough time for us all. Please call me at 701-261-9793 if you have any questions or concerns. Please call Sara at 701-793-2148 if you need cancer papers or if someone passes away but please remember we work during the day, so please leave a message. Thank you.
